Bachelor of Science in Psychology, Towson University – December 2013

High School Diploma, Edgewood High School – May 2008

EMPLOYMENT HISTORY

Kennedy Krieger Institute

February 2014 – Present

Licensed Graduate Professional Counselor

- Provide weekly individual, family or group, psychotherapy services for children, adults, and families
- Maintains medical records for each client seen including treatment plan and diagnostic interview at the initiation of therapy, weekly progress notes, periodic reviews, and termination summary.
- Attends in-service clinical training programs, treatment planning meetings, and administrative meetings.
- Coordinate and conduct clinician meetings to help with consultation for Dialectical Behavioral Therapy (DBT) treatment for adolescents. Assign clients to the appropriate clinician based on skillset, client needs, and schedule request.

Educational Services Coordinator II

- Complete a thorough review of incoming patients' Individualized Education Program (IEP). Discuss patients' needs with district teachers to develop individual educational objectives to meet current IEP goals during admission to the Neurobehavioral Unit (NBU). Ensure the educational goals are incorporated into the NBU behavioral therapy sessions and patient educational sessions.

Recreational Activities Staff II

- Plan, schedule, and coordinate all inpatient weekend and daily activities, including all related expenditures, supply purchases, and activity budget management.
- Provide positive and corrective performance feedback to Clinical Assistants as needed and provide input into Clinical Assistant performance appraisals.

Clinical Assistant

- Review and implement a variety of patient-specific and general NBU written behavioral and educational protocols.

Thrive Behavioral Health

August 2018 – July 2019

- Provide high quality person-centered therapy to clients and families.
- Develop and implement individualize treatment plans in collaboration with families, with consideration of cultural factors.
- Enter records into Electronic Health Records System.
